

TOYIOMFON UDOETE

tudoete@uwyo.edu — (251) 508-2013 — <https://github.com/ToyioUdoete> — Laramie, Wy.

EDUCATION

Master of Science(Msc) – Artificial Intelligence

University of Wyoming

Aug 2025- Present

GPA 3.4

Bachelor of Science (BSc) - Software Engineering

Babcock University

Sep 2019 - May 2023

GPA 3.28

RESEARCH PROJECTS

Morphology-Aware Diffusion for Structure-Preserving Ovarian Ultrasound Restoration

- Developed MAN Gating, a morphology-aware diffusion framework for structure-preserving ovarian ultrasound restoration, achieving 31.25 dB PSNR / 0.8351 SSIM; currently under review at ACCV 2026

Frozen-Backbone Adaptation for Image Deraining Networks

- Developed a Frozen-Backbone Adaptation framework for single-image deraining, ablating adapter designs on a frozen RAINet backbone.achieved 39.05 dB PSNR (+1.20 dB) using only 219K of 2.7M parameters.

Style-Controlled Image Captioning (Contributor)

- Developed a style-controlled image captioning system (ResNet-50 + attention-based LSTM with learnable style embeddings) generating tone-specific captions , achieved BLEU-1 of 0.5126 on Flickr8k across funny, romantic, and academic styles.

WORK EXPERIENCE

Graduate Teaching Assistant , University of Wyoming

Aug 2025 - Present

- Facilitating course instruction by evaluating student submissions and providing technical feedback on programming assignments and examinations.

Web Development Intern, Root hub Accelerator Systems

Jan 2022 - Jun 2022

- Learned core web development skills, built responsive practice projects to apply what I learned, and collaborated closely with the team.

SKILLS AND CERTIFICATIONS

Technical Languages: Python, SQL, JavaScript, HTML5/CSS3.

Certifications: Certified Secured Computer User v2 (C/SCU) – EC Council, CompTIA A+, Jobberman Soft Skills Training.

Tools & Frameworks: PyTorch, GitHub, Git, Jupyter Notebook, Explainable AI (XAI), Computer Vision, NumPy, Pandas, Matplotlib, Scikit-learn, Microsoft Excel, VS Code.

Soft Skills: Analytical Problem Solving, Adaptable Learner, Reliable, Collaborative, Purpose Driven.

EXTRA-CURRICULAR & LEADERSHIP

Association for Computing Machinery (ACM), University of Wyoming Student Chapter

Manage the chapter's finances ; budgeting, expense tracking, and fund allocation for workshops and events. **National Youth Service Corps Evaluation Committee**

Evaluated Corps members' performance using Excel, Google Docs, Power BI, and Python.
